(iv) No information.

(v) There is no information as to the agency that financed the construction of the "Campbell's Bund". This bund was constructed primarily for the benefit of the people and estates at Vypeen.

Mr. A. B. SALEM.

27. Is the Government aware as to what would have happened if these works have not been put up at Cruz Milagre and will the Government be prepared to place any literature they have upon the subject dealing with the dangers or advantages that have induced the authorities to bring these bunds into existence, on the table?

Mr. V. K. ARAVINDAKSHA MENON.

The southern portion of the Vypeen peninsula would have been seriously affected by sea erosions, had this bund not been constructed. There is no literature specially dealing with the reasons for constructing this bund. The Vypeen peninsula seems to have been affected by sea erosions and this portion seems to have been the most vulnerable point in the vicinity of Cochin. It is surmised these must be among the reasons why a sea-wall was constructed there.

Mr. A. B. SALEM.

28. Will the Government be pleased to inform whether it is in contemplation to put further protective works on the sea-shore of the Island in any part thereof?

Mr. V. K. ARAVINDAKSHA MENON.

At Ochchanturuttu the Government are constructing two parallel groynes for the protection of the sea-shore.
